

R.M PUBLIC SCHOOL News letter

(July- August)

(CBSE AFFILIATION NO. 730072)

SESSION: 2024-25

WORTHY CHAIRMAN SIR RAMESHWAR MENGI JI'S BIRTHDAY

R.M. Public School Celebrates Chairman Rameshwar Mengi Ji's Birthday and First Monday of Shravan Month on July 21st, 2024: It was an honour to gather to celebrate the birthday of the most eminent personality of RMPS, our Honourable Chairman Sir Sh Rameshwar Mengi ji along with the auspicious occasion of the first Monday of the Shravan month. The celebration was hosted by the students of class 7th. The event was marked by a series of events presented by the students aimed at promoting environmental consciousness and cultural values. Staff and students took an oath to save water, avoid using plastic, plant more trees, and save electricity, demonstrating the school's commitment to sustainable practices. A Kanya poojan ceremony was also held, honouring the cultural and spiritual significance of the day. Chairman Shri Rameshwar Mengi Ji expressed his gratitude to the school community for their warm wishes and active participation in the event.

AN INCREDIBLE DEAL OF ART IS CREATED

Lakshya Wing of R.M. Public School organised a wonderful painting competition on "Rainy Season" for 5th standard students on July 25th, 2024. The competition showcased the creativity and talent of our young artists as they depicted various aspects of this beautiful season through their artwork. The primary goal of the competition was to encourage creativity and promote a passion for art among students.

THE POWER OF ARGUMENTS AND THE ART OF DIALOGUE

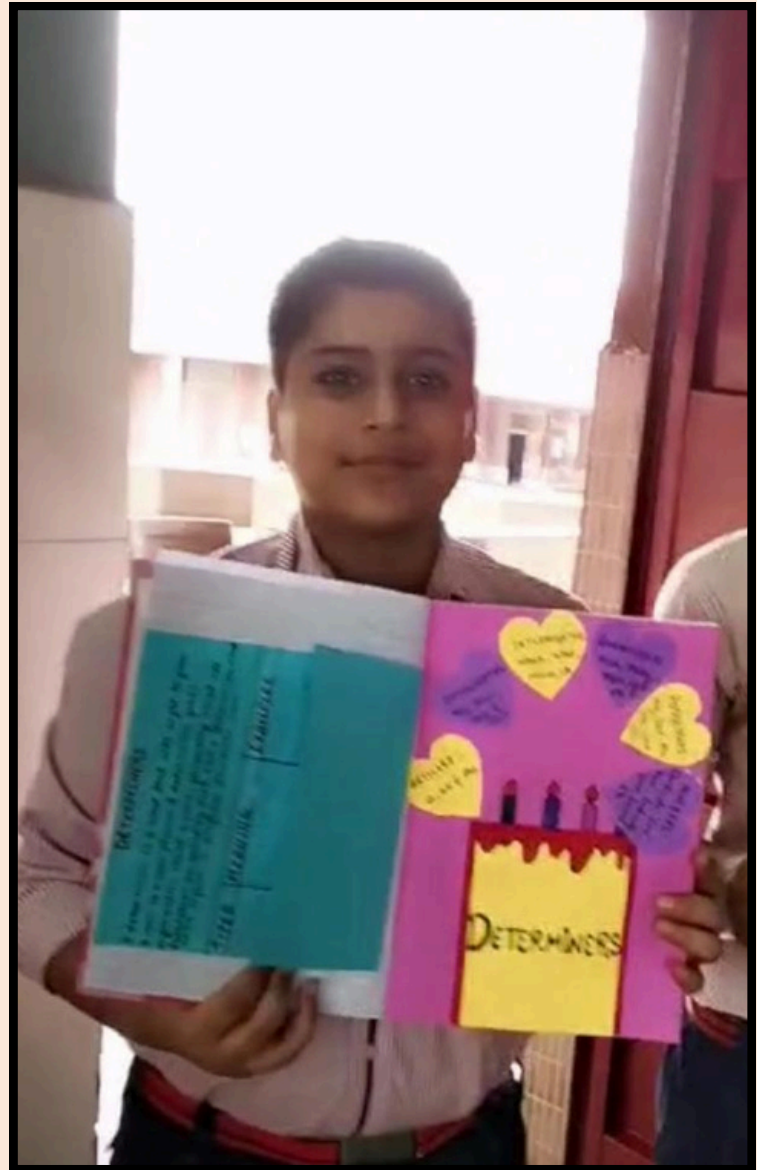

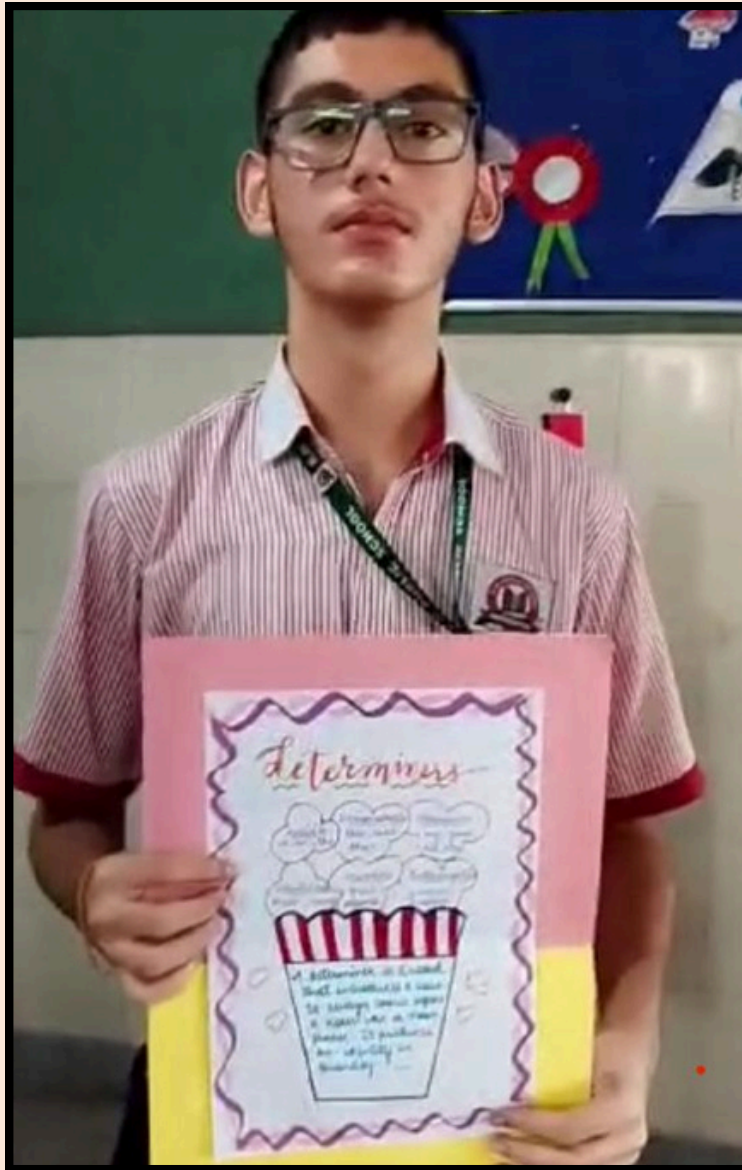

R.M. Public School organized 'Hindi Debate' inter-school competition for the students of class VIII under the banner of Sahodaya School Complex Jammu on July 27th, 2024. The main objective of this debate was to create interest in the Hindi language and increase awareness about it. The topic of the debate was "Are cameras installed on drones effective in maintaining security in public places or violation of privacy?"

The event saw participation from 27 schools across the region, making a significant milestone in promoting linguistic prowess and critical thinking among the students. The competition was a vibrant display of intellectual rigor and eloquence, with students passionately debating on contemporary issues.

Miss Tanisha Sharma of Army Public School BD Bari emerged victorious, captivating both the judges and audience with her persuasive arguments and eloquent. The Second and third positions were secured by Vriti Sharma of RM Public School and Hitakashi Bhat of Springdales School, respectively. The event underscored the significance of the Hindi in education and the value of such competitions in shaping future leaders and thinkers.

NAVIGATING THE WORLD OF DETERMINERS

On 29th July 2024, an engaging English activity was conducted for the 9th standards student focused on "Determining and its types." Students were tasked with creating flowcharts that visually represented different types of determiners. This activity aimed to enhance their understanding of determiners by organizing information in a structured and visually appealing manner, aiding in better retention and comprehension of the grammatical concept.

PLANTATION DRIVE

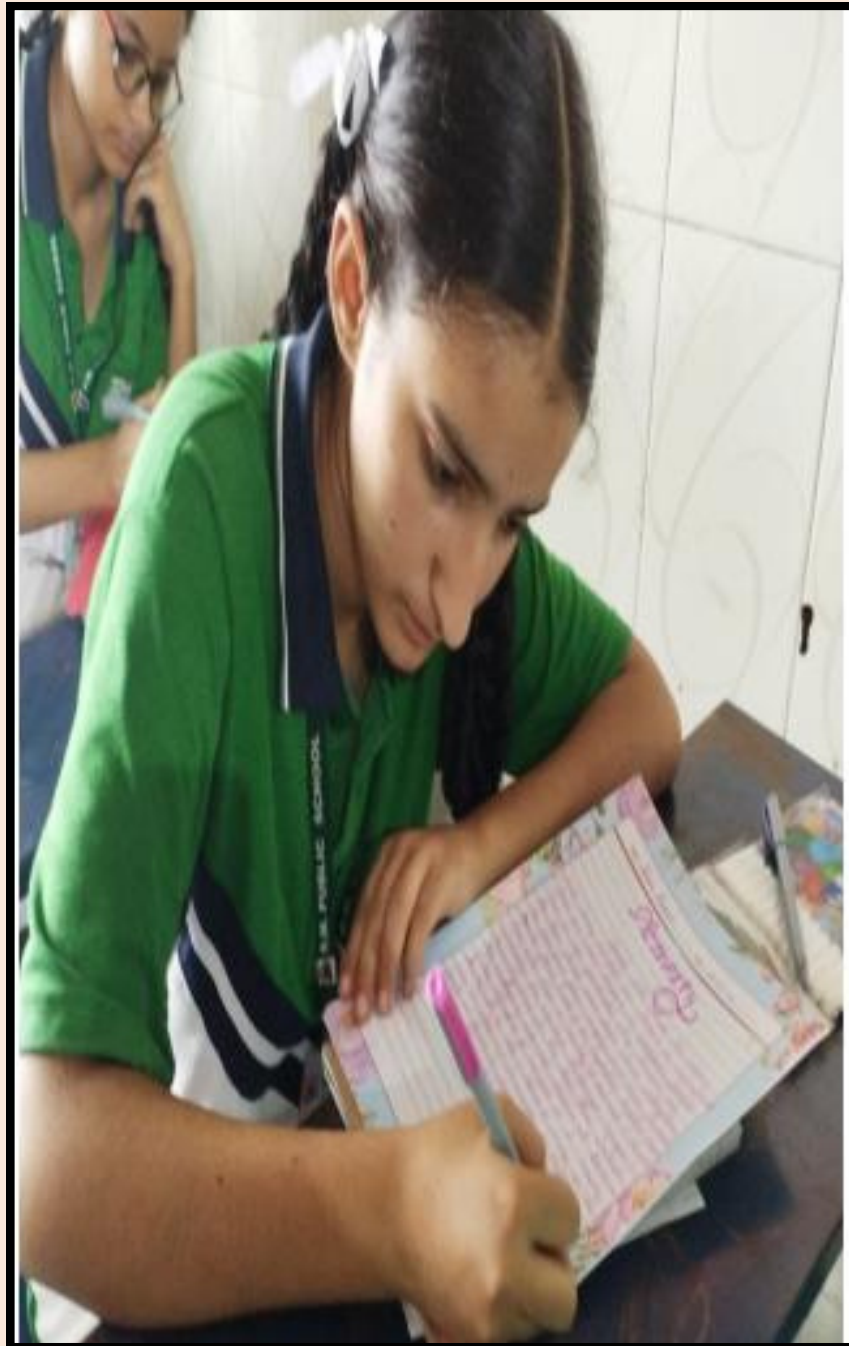

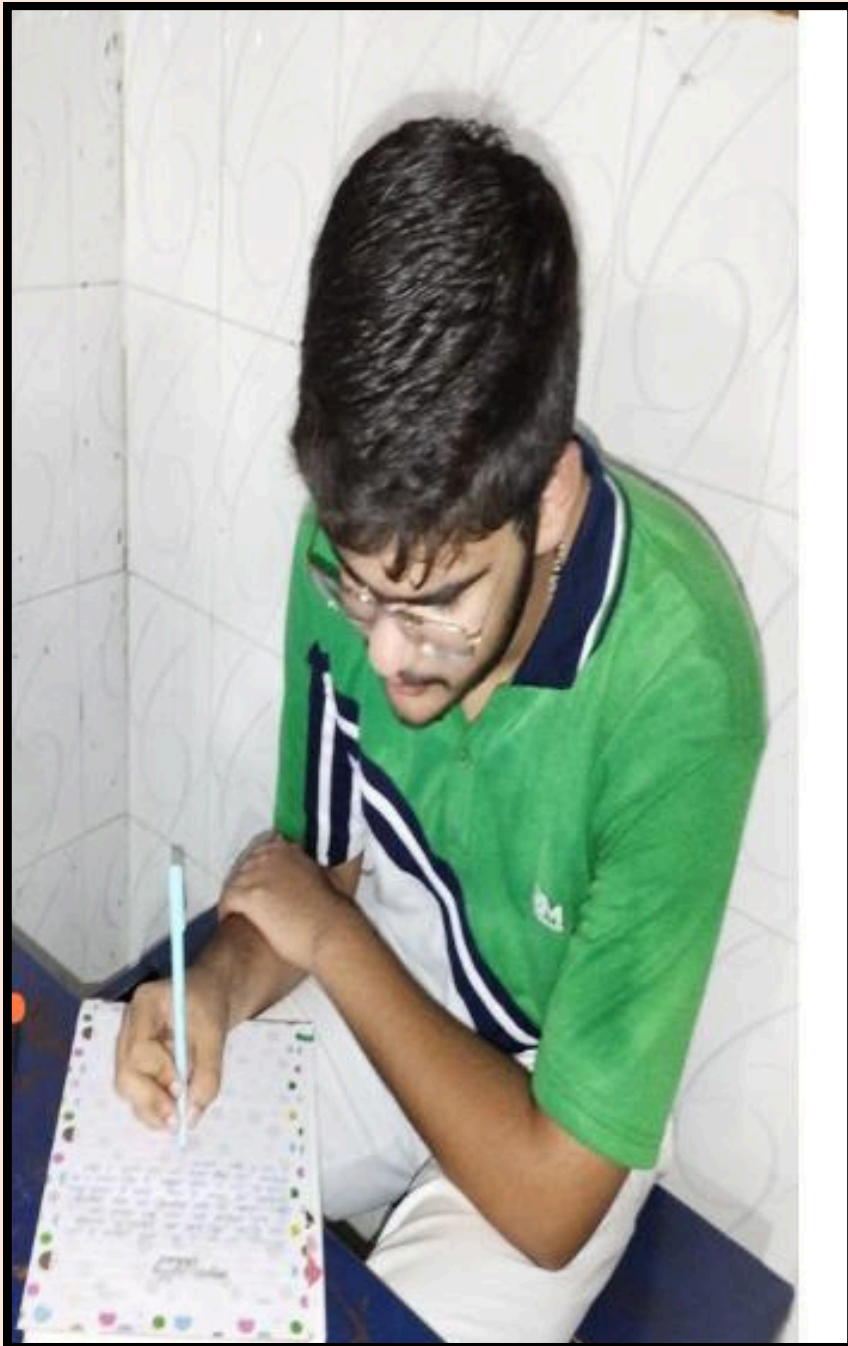

R.M. Public School Successfully Conducts Plantation Drive

July 30, 2024 : The G.S Sports Club organised an awareness program at RM Public School in which plantation drive was successfully conducted , contributing to environmental sustainability and community engagement. The event was marked by the active participation of students, staff, and distinguished guests.

The plantation drive is a part of R.M. Public School's ongoing commitment to environmental stewardship and education . The event was anchored by Miss. Gunjot and Miss Chahat . A theme based act was performed by the students of class 4th to 7th and concept was given by Ms. Avnie . By involving students in such activities, the school aims to instil a sense of responsibility and awareness about the importance of preserving our natural resources.

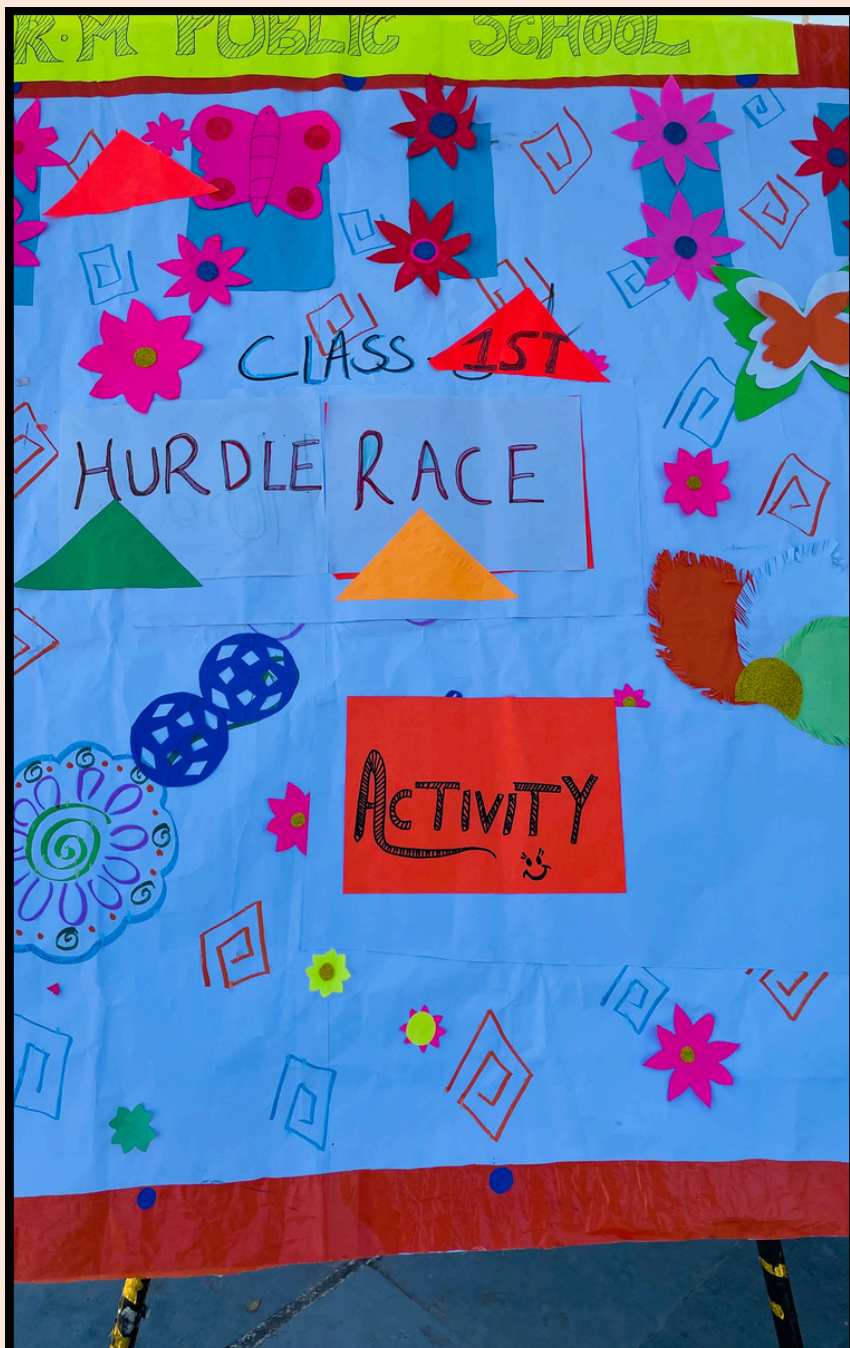

The event concluded with a pledge by all attendees to continue supporting and participating in activities that contribute to environmental conservation.

WORK OF IMAGINATION

On 31st July, 2024, an engaging activity was held in Class X where students delved into the fascinating world of rainforests through paragraph writing. This exercise aimed to enhance their writing skills while increasing their awareness about the importance and biodiversity of rainforests. Students enthusiastically participated, showcasing their creativity and understanding of this vital ecosystem.

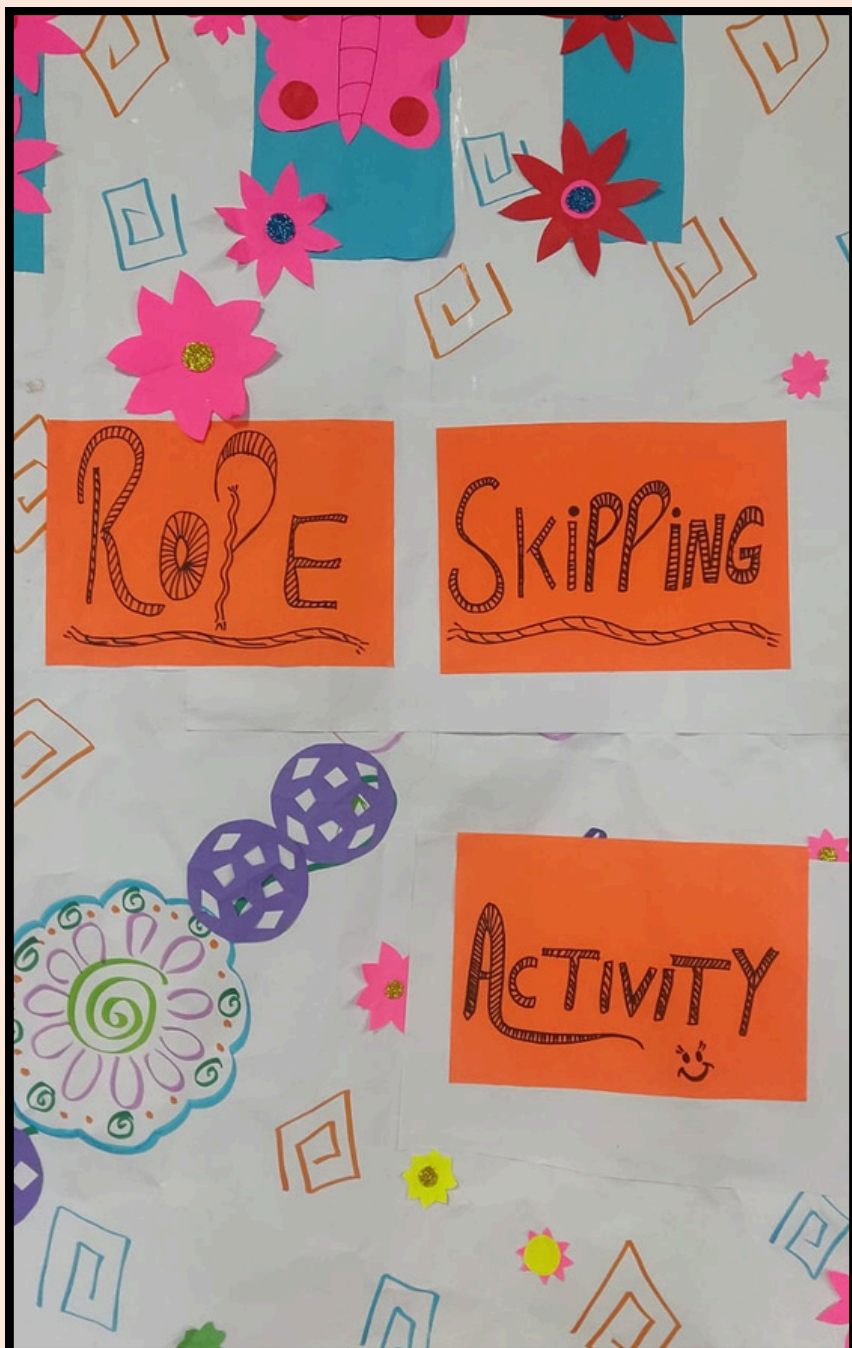

HURDLE RACE

August 31, 2024: The Hurdle Race was organised for the students of Grade 1st of Penguin Paradise. The objective of the race was to make children stay focused as there were various challenges for them to complete and develop kinesthetic abilities. It catered to cognitive, affective and psychomotor domains of learning.

Children participated with great will and enthusiasm. Director RMPS Mr Rakshan Mengi , Vice Principal Dr Harvinder Kour, Administrator Sh. Surinder Singh , Incharge Penguin Paradise Ms Mala Goel felicitated the winners and extended their best wishes to all the participants

ROPE SKIPPING

August 29, 2024, Rope Skipping Activity was organised for the students of class 2nd of Penguin Paradise.

Rope skipping was conducted as it improves coordination and helping to develop motor skills. It improves balance and basic movement skills in children. It was organised under the supervision of Sports Teachers Ms. Anu Sharma and Mr Gourav. Director RMPS Mr. Rakshan Mengi and Vice Principal Dr Harvinder Kour appreciated the participants with certificates .

NUMBER CRUNCHER

August 07, 2024: An Abacus Activity was conducted for the students of class 2nd of Penguin Paradise. The aim of conducting the activity was to demonstrate the students that it is the most creative way to count numbers easily and more quickly. It is believed that the movement using fingers gives the students an opportunity to activate the brain sensors. Learning abacus helps students to enhance their focus, numerical skills and cognitive ability. The Students enjoyed the activity with great fun.

RAINY DAY ACTIVITY

Rainy Day is always a fun time for the kids if it is celebrated in school. Moreover it makes the school environment light and mesmerising for the tiny tots.

To celebrate the showers of monsoon , the students of class 1st of Penguin Paradise celebrated the Rainy Day on 3rd August, 24.

All the children came armed in their raincoats and umbrellas to splash and revel in the rain. The students were brought out in open by their teachers with umbrellas and rain coats to enjoy the playful rainy weather. We created artificial rain . It was fun getting wet and singing songs .The Rainy Day celebration was full of fun and frolic.

KHO - KHO

Sports play a major role in shaping the personality of a child. In R.M. Public School our constant efforts are to develop the personality of our children by nurturing every aspect of their life.

Getting on the way, an Inter-Section Kho-Kho competition was conducted on 03rd August, 2024 by Penguin Paradise for the students of class 3rd. Students participated in a sportive spirit with a great zeal. The aim of conducting the competition was to develop teamwork skills, cooperation and camaraderie.

All the players put their efforts to make their team victorious. Esteemed Direction Mr Rakshan Mengi appreciated the efforts of the students and teachers.

RAKHI - A THREAD THAT CONNECTS HEART

Raksha Bandhan is one of the most endearing ways to celebrate the bond between brothers and sisters. With the view to celebrate the occasion and to enhance creativity among the students Lakshya Building organised Inter Section Rakhi Making Competition on 4th August, 24. The students of 4th standard participated in the competition and made beautiful Rakhis. They displayed creativity and imagination employing a variety of materials like threads , stars , mirrors , pearls , matchsticks, ribbons and flowers for making beautiful rakhis.

Director, Mr. Rakshan Mengi was amazed to see the efforts and spectrum of creativity in the beautiful Rakhis made by the students.

NATIONAL SYMBOLS OF INDIA

To mark the 78th years of Independence Day celebrations different competitions were being organised at RMPS to strengthen patriotic fervour among our students. The Students of 4th standard engaged in

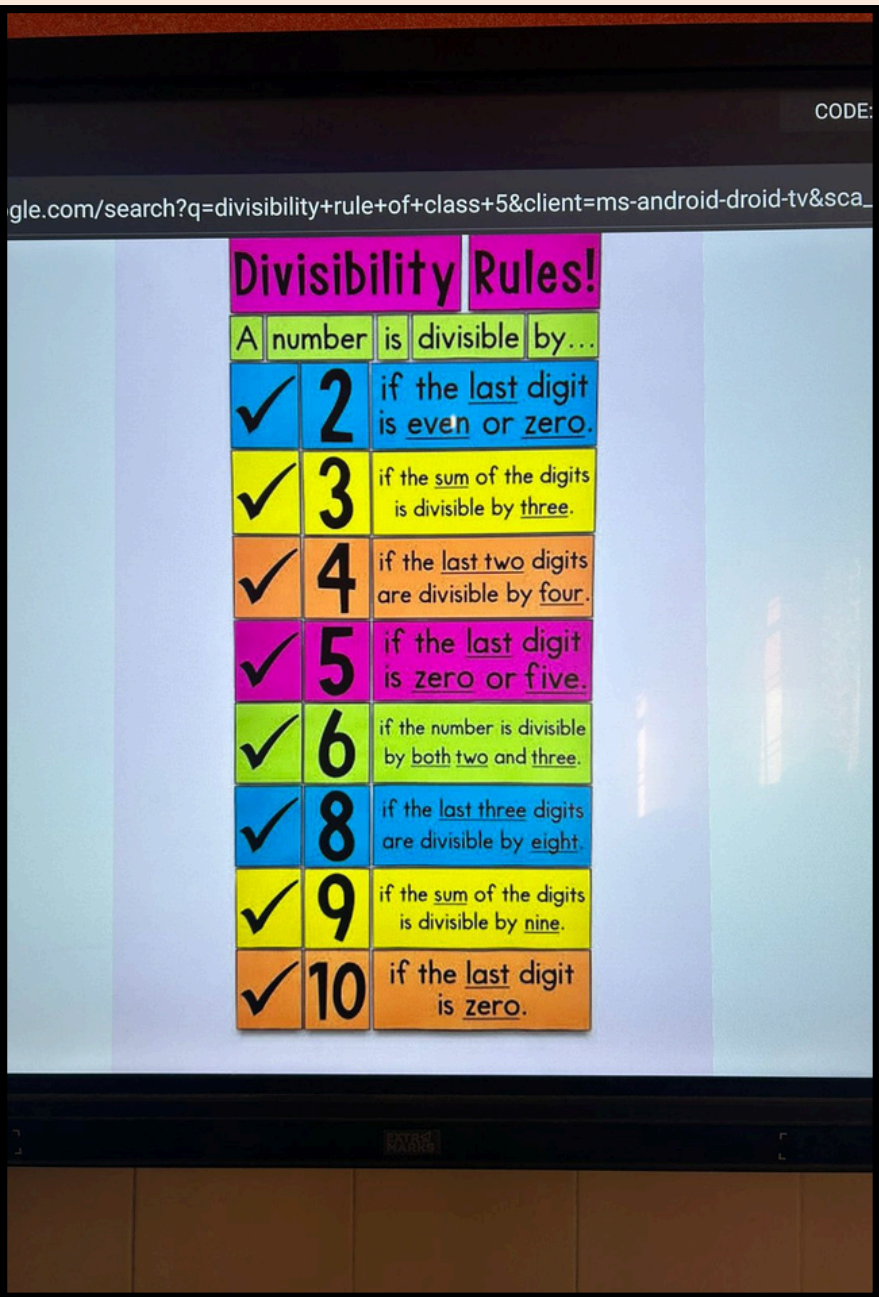

National Symbols Making Activity

which was conducted on August 12, 2024.

The aim behind conducting the activity was to instill a sense of pride and patriotism among students.

Students participated with zeal and full enthusiasm.

DIVISIBILITY RULES

Some children find maths to be challenging. To solve maths problems quickly and simply without tedious calculations, there are situations when tricks are required. Keeping this in view, an activity on Divisibility Rules was conducted in Lakshya Building for the students of 5th standard on 24th August, 2024. The aim of the activity was to develop relationship between numbers and to simplify fractions or solve other problems involving large numbers.

ADJECTIVE TREASURE HUNT

An activity of Adjectives was conducted by Lakshya Building for the students of 5th standard on August 27, 2024. The aim of the activity was to allow students to identify and use adjectives effectively, improving their vocabulary and sentence construction. The students were very enthusiastic during the entire activity.

CARDS CRAFTED WITH PATRIOTISM

To celebrate the occasion of Independence Day , Lakshya Building of RM Public School organised a Card Making activity for the students of 6th standard on August 23, 2024.

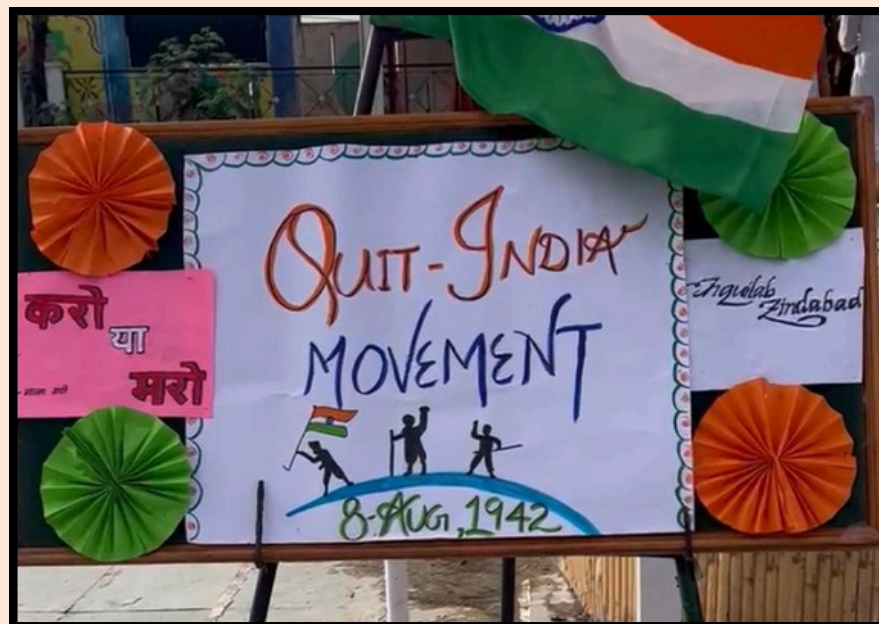

Crafting handmade Independence Day cards can be a delightful activity that allows students to express their patriotism and creativity. The educators also helped the little patriots and were very much involved with them in the activity. These are precious times where teachers and students can bond

TRICOLOUR RALLY

Lakshya Building of RM Public School organised the "Har Ghar Trianga " rally by the students of 6th standard on August 14, 2024. The strength of 100 students, educators and staff members organised a Trianga Rally to honour the martyrs of freedom struggle serving as a tribute to the freedom fighters who helped INDIA in gaining Independence from the British rule. Lots of slogans were chanted by the students during rally and the educators were also present in the rally. Esteemed Director RMPS Mr Rakshan Mengi, Vice Principal Dr Harvinder Kour, Administrator Sh Surinder Singh and Incharge Lakshya Building Ms Gurpreet Kour were also the part of the rally. The aim of organising the activity was to remember the sacrifice of those brave heart who gave up their today for our tomorrow.

82ND ANNIVERSARY OF QUIT INDIA MOVEMENT

“Quit India Day”, a day which triggered the people of India, who were grappling under the British Raj, commemorates the milestone in the Indian Independence movement.

Lakshya Building of R.M. Public School held a special assembly on 8th August, 2024 to commemorate the Quit India Movement.

The assembly featured the enthusiastic participation of class 7th.

The aim of celebrating the event was to educate students about the movement’s significance and relevance to the present day, and to inspire them to uphold the values of democracy and equality.

The assembly was graced by the presence of Worthy Chairman Sir Sh Rameshwar Mengi, Director RMPS Mr Rakshan Mengi, Vice Principal Dr Harvinder Kaur and Administrator Sh Surinder Singh , who all expressed their appreciation for the students’ efforts and dedication.

A BOND OF LOVE; A BOND OF TOGETHERNESS

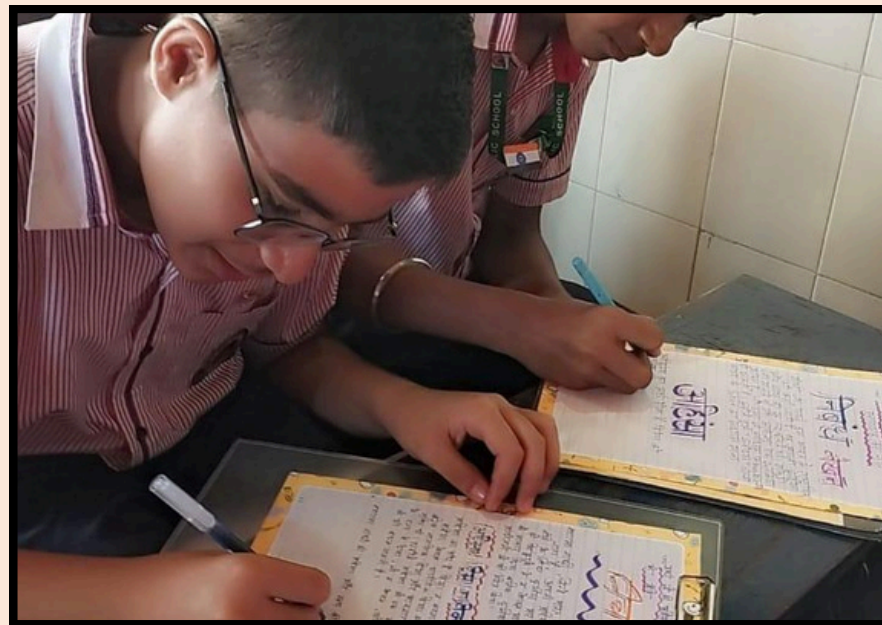

Lakshya Building, class 7th conducted a special assembly on 12th August, 2024 to celebrate Rakshabandhan.

The aim of celebrating Raksha Bandhan was to help students learn about the importance of family bonds, unity and cultural heritage .

Students sang soulful songs that captured the essence of Rakshabandhan and a poignant skit conveyed the message that relationships thrive on love, blessings and enduring bonds.

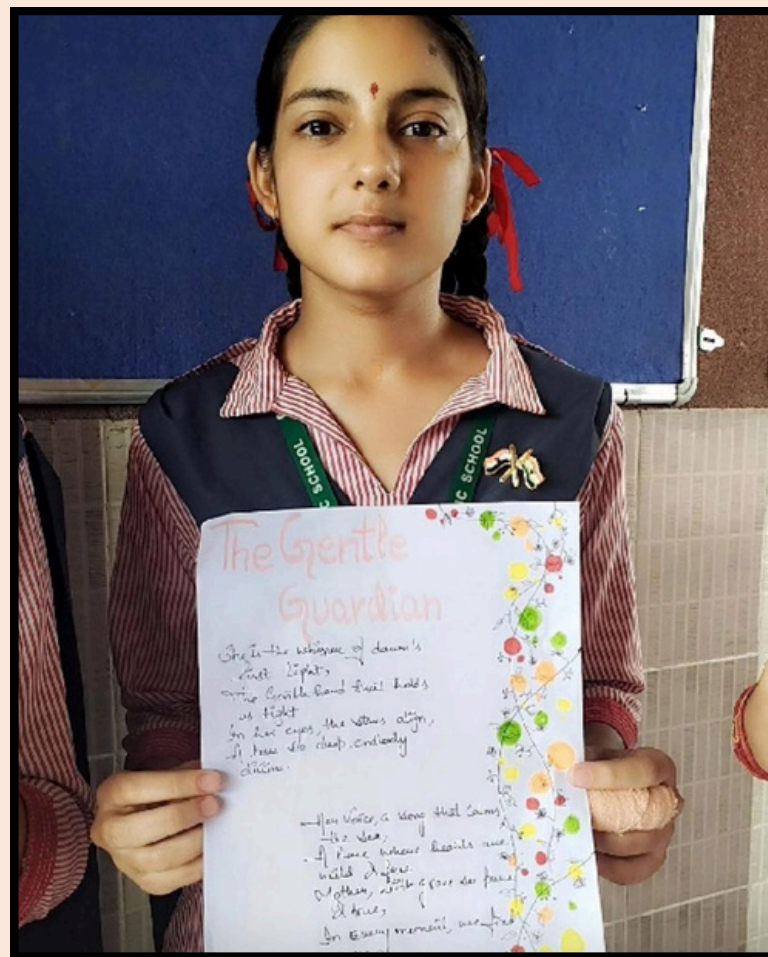

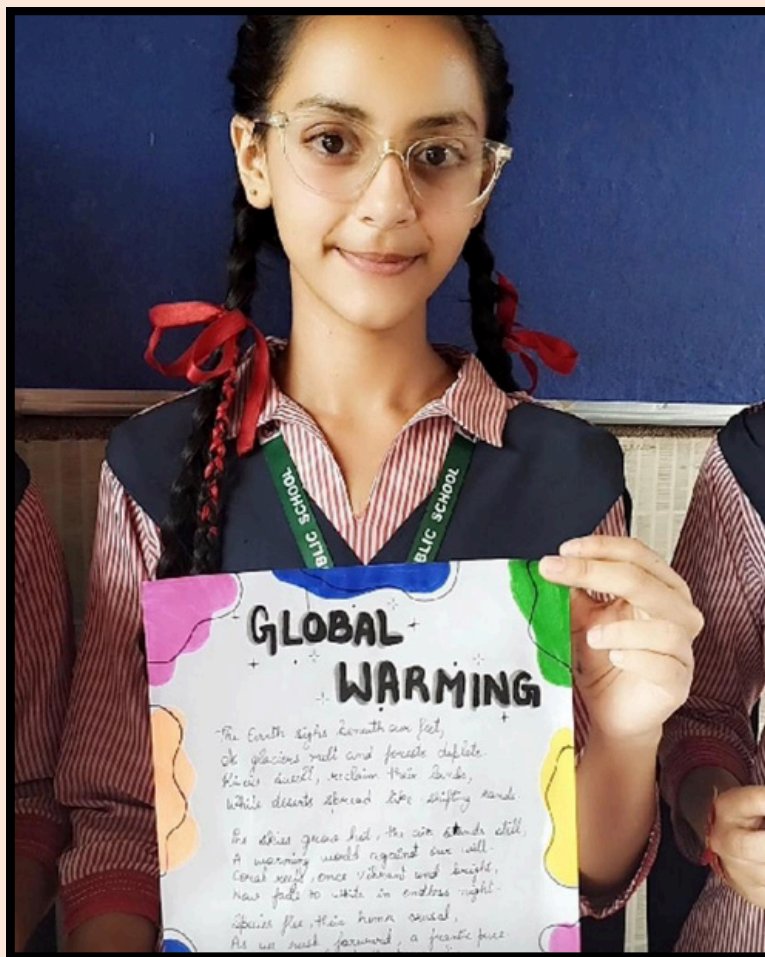

FREEDOM FEST

'True Independence and freedom can only exist in doing what's right'. On the eve of 78th Independence Day, Jagat Building successfully organised a Hindi Essay writing competition under the banner of "Freedom Fest" for students of 8th [E & F] and 9th [A] standard. The event was held on August 12, 2024.

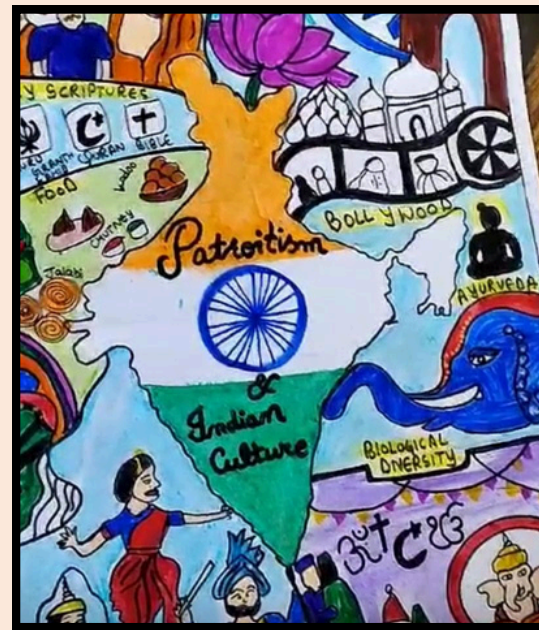

The aim of the competition was to inspire students to express their thoughts and emotions and realise the importance of life and liberty that we attained through the sacrifice of numerous patriots and leaders. The students showcased their creativity, critical thinking and linguistic skills as they penned down their essays, bringing out their perspectives on various aspects of India's freedom struggle.

THE WORD VOYAGE

In an effort to nurture creativity and self-expression, a special activity was organised for the students of 9th standard on August 12, 2024. The theme of the activity revolved around some of the most thought-provoking topics like -Nature, Freedom, Mother and Global Warming. Each student's poem was a reflection of their personal thoughts, emotions and perspectives.

AMAZE EMOTIONS

In a spirited celebration of India's rich cultural heritage and essence of patriotism, the students of 8th standard participated in a Poster Making Competition under the theme - "Independence: Patriotism and Indian Culture." The competition was held on August 8, 2024 and the students of three sections : 8thA, 8thB & 8thD participated in it. The objective behind organisation of poster making competition was to spread the feeling of patriotism with the help of creativity. The competition helped them to learn about India's freedom struggle . Students not only enhanced their artistic skills but also deepen their understanding of freedom and national unity.

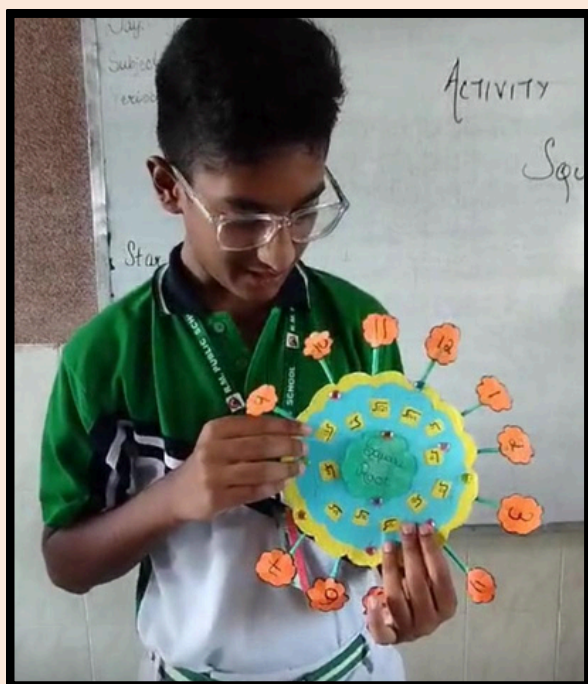

PLANT SCIENCE

In an effort to deepen the understanding of plant biology, the students of 11th standard participated in a special activity which was held on August 12, 2024 under the expert guidance of Ms Sumit Kour and Mr Arief.

Students explored different patterns of leaves as well as the structural differences between Dicot and Monocot stems and roots patterns. The activity also involved the detailed examination of flower parts including calyx, corolla, androceium and gynoceium. The event was a significant step in enhancing the botanical acumen of the students preparing them for more advanced study in the field of biology.

UNLOCKING THE POWER OF SQUARE AND ROOTS

'Play gives children a chance to practice what they're learning.'
 With this fact in mind, an activity on Square and Square roots was conducted for the students of 8th standard on August 13, 2024. The objective of the activity was to make the students learn about perfect squares and their square roots. The activity helped them not only in generating interest in the concept of squares and square roots but also in improving mental maths.

ROCK AROUND THE CLOCK

Role Play is one of the creative ways of learning, considering this , commemorating 78th years of Independence; Role Play Activity on “Freedom Fighters Unite For A Better Tomorrow” was organised for the students of 9th standard on August 14, 2024.

It had provided an opportunity for all the students to showcase their talents in acting besides public speaking. The acting and dialogue delivery of the students throughout the activity were outstanding.

It was the best way for students to remember their country’s freedom fighters and respect and salute them for the unmatched sacrifices that would help them to grow into better human beings.

EXTEMPORE COMPETITION

Extempore is one such method which assists the students not only in thinking on their own, but also invoicing their creative ideas with precision.

With this intention in mind , R.M. Public School proudly conducted a two-day inter- class Extempore Competition for the students of 8th and 9th standard. The event was held on 17th & 21st August,2024. The objective of the competition was to make the students confident and better orators so that they can fearlessly express their views on any topic. Each participant displayed remarkable poise, confidence and creativity impressing both the audience and judges with quick thinking and eloquence. Among the five finalists, Miss Roshini Kumari of 9th standard, was the winner. The Director Sir, VP ma'am and staff congratulated the proud winner and the mentors.

VISIT TO ARMY CANTT

On August 27, 2024 RM Public School organised a significant educational visit for the students of 9th and 10th standard to the Army Cantt., aimed at inspiring young minds with a firsthand experience of the life and duties of the Indian Armed Forces. This visit was a part of the school's ongoing efforts to instill a sense of patriotism and dedication in its students. The students were given a guided tour of the unit, where they observed various aspects of military life, including the discipline, training routines and the advanced technology used in defence. This not only educated the students about the Indian Armed Forces but also motivated them to contribute positively to society with a sense of responsibility and pri

CO-SCHOLASTIC ACTIVITIES

R.M. Public School fosters an environment where students can discover their passions and grow holistically. Through a diverse range of SCHOLASTIC and CO-SCHOLASTIC CLUBS, we aim to nurture each student's unique talents, promoting leadership, communication, and problem-solving abilities. These clubs provide a platform for experiential learning, helping students build confidence and a sense of responsibility as they explore various interests beyond the classroom. Whether it's through debating, cultural performances, or community service initiatives, students gain invaluable experiences that shape their character and broaden their perspectives.

Our commitment to all-round development ensures that every student emerges as a confident, compassionate, and capable individual
